**GOLDEN NUGGET ANNOUNCES ONLINE
GAMING PARTNERSHIP WITH CHILIGAMING**

PR Newswire -- February 10, 2012

HOUSTON, Feb. 10, 2012 /PRNewswire/ -- Golden Nugget and Chiligaming are proud to announce that they are entering into an online gaming partnership, with a free-play website due to launch within the next Quarter. Golden Nugget has selected Chiligaming as its exclusive online gaming partner in anticipation of the legalization of online gaming in the United States.

Chiligaming's proprietary iGaming platform, which enables it to connect to any poker platform or gaming content provider, is a central feature of its US proposition and is designed to both facilitate swift entry into the market and maximize options for the Golden Nugget as the US regulatory and vendor landscape takes shape.

"Chiligaming is thrilled to partner with Golden Nugget, which has a very strong brand presence across the US," said Alexandre Dreyfus, Chiligaming's CEO and Founder. "With its Las Vegas, Laughlin and Atlantic City properties, it is ideally and uniquely positioned for all of the online developments that lie ahead." According to Golden Nugget's Chairman and Owner, Tilman J. Fertitta, "We started an intensive process approximately nine (9) months ago and looked at more than a dozen internet gaming companies and selected Alex and Chiligaming because they were experienced in online gaming in Europe and demonstrated incredible passion, talent and knowledge which our team found to far exceed their competitors. We believe that online gaming is inevitable in the United States and that the Golden Nugget will be well positioned to compete when US laws allow for online gaming."
